INTRACO on the list of most interesting buildings taking part in the Skyscrapers Night

Monday, October 10, 2016 - 11:50

Next Saturday, on October 15, between 6 PM and 12 AM, yet another edition of the Skyscrapers Night will be held in Warsaw. Similarly to last year, PHN Group's Intraco building at ul. Stawki 2 will take part in the event.

The Skyscrapers Night is an excellent opportunity for all those who love visiting places which are usually not available for the general public, and all passionate photographers, to admire the panorama of Warsaw from the highest level. It is an event devoted to prestigious and unique architectural locations.

Polski Holding Nieruchomości S.A. will invite visitors to Intraco – Warsaw's first high-rise building, constructed in 1975. Guests will have a unique opportunity to admire extraordinary panorama from its windows. Intraco is 138 meters high and has 39 storeys. It is one of the most recognizable skyscrapers on the business map of Warsaw and Poland.

Apart from Intraco, participants of the Skyscrapers Night will have the opportunity to visit other prestigious locations: Błękitny Wieżowiec, Central Tower, Cosmopolitan, Eurocentrum Office Complex, Hilton, Intercontinental Warszawa, Novotel, Marriott, Q22, Westin, Warsaw Trade Tower and Millenium Plaza.

Last year's edition enjoyed huge popularity, with more than 1,500 persons admiring the panorama of Warsaw from highest locations possible. According to the website devoted to life in public space and architecture – Nowa Warszawa – this year's edition will be even more exciting than the previous one. The event will be accompanied by a photo competition with attractive prizes.

We heartily invite you to participate in the event and guarantee unforgettable

views of the panorama of Warsaw from the Intraco building. More information can be found at: <http://nowawarszawa.pl/noc-wiezowcow-2016/> ^[1]

Polski Holding Nieruchomości Group

The Polski Holding Nieruchomości Group is the leading managing investor in the commercial property market in Poland. It is one of the largest companies in the sector in terms of the market value of its portfolio, which includes 140 properties and nearly 700 ha of land across the country (e.g. in Warsaw, Poznań, Wrocław and the Tri-City). PHN has long experience both in real estate management and investment project implementation. The Company has been listed on the Warsaw Stock Exchange since February 2013.
