## **PHN AT THE 26TH ECONOMIC FORUM IN KRYNICA-ZDRÓJ**

Thursday, September 8, 2016 (All day)

On September 6 to 8, 2016, the 26th Economic Forum was held in Krynica-Zdrój. Considered one of the most important economic conferences in Central Europe and held for more than 20 years, the event serves as a meeting point for European states' prime ministers and government officials, European Union decision-makers, heads of European companies, experts, and economists. The Forum's agenda is developed in collaboration with more than 100 business partners, including companies considered leaders in their respective industries.

Polski Holding Nieruchomości S.A.'s involvement in the 26th Economic Forum in Krynica-Zdrój focused on the Polish National Foundation, which PHN joined in July 2016 along with 15 other companies jointly owned by the Treasury. PHN's stand was located in the Polish National Foundation pavilion, an exhibition and conference area designed to showcase "Polish Champions".

Polski Holding Nieruchomości S.A. prepared an extraordinary, state-of-the-art stand that distinguished itself from others with an innovative and unique holographic image projection technology, allowing visitors to walk through, touch, and even interact with the image. Streams of invisible steam provided a medium for the image, and their laminar structure made it possible to achieve very high image quality. The presentation promoted corporate aspects of the Company's operations (including the 5th anniversary of Polski Holding Nieruchomości S.A.'s presence on the commercial property market) as well as the Company's properties and projects.

Polski Holding Nieruchomości S.A.'s stand attracted huge interest from Forum participants. Visitors included eminent business figures and top-level government officials, including Prime Minister Beata Szydło, Minister of Treasury Dawid Jackiewicz, Undersecretary at the Ministry of Treasury Filip Grzegorzczak, Małopolska Province Governor Józef Pilch, Mayor of Wrocław Rafał Dutkiewicz and

a large number of officials representing management boards of companies jointly owned by the Treasury.

On September 7, 2016, a friendly “BUSINESS vs. MEDIA” football match was held as part of the 26th Economic Forum, organized by Totalizator Sportowy Sp. z o.o. We are pleased to announce that Maciej Jankiewicz, President of the Management Board of PHN, joined the ranks of the “BUSINESS” team and entered the tally by scoring the goal that put the team back in the game. The final score was 5:3 for the “MEDIA” team.
