Skyscrapers Night 2016 – an event for the lovers of Warsaw, photography, the city and high-rise buildings – has yet again met with huge interest and broke the attendance record. Exact estimates will soon be provided by the event’s organizer at <http://nowawarszawa.pl/noc-wiezowcow-2016/>. [1]

The first edition of the Skyscrapers Night was held in 2015 and was a great success. As many as 45,000 persons declared the interest in participating in the event, and 1,500 had the opportunity to get a bird’s eye view of Warsaw and take fantastic pictures fully legally.
