VIS A VIS WOLA
Warsaw
ul. Ordona 5

Basic information

Commencement:

2017

Completion:

2019 (first stage), 2020 (second stage)

Area:

25.222

Project costs:

164,7 mln PLN

Main advantages:

- Excellent location close to the center of Warsaw

- Functional apartments with terraces and balconies as well as storerooms
- Inner courtyard with green area and recreational space

Description:

At the very heart of the Warsaw district of Wola, a state-of-the-art multi-family residential complex with service facilities at the ground floor and 466 apartments has been constructed. Excellent location – only 4.5 km to the city center, excellent options for travel to the downtown and other districts – complete infrastructure (commerce, food, education, sports and leisure), as well as well-developed green areas are undeniable advantages of this investment project.

For more details, please visit the investment project's website:<http://www.visavis-wola.pl> ^[6]

Status of work:

The project was fully completed and commissioned in 2020 (1st and 2nd stage).
